## The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who are serving as marshals.

## Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

## Honor Stoles

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (*cum laude*) and white represents High Honors (*magna cum laude*). White stoles with cardinal and white cords represent Highest Honors (*summa cum laude*).

## Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or royal blue — Ph.D.; light blue — Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Royal Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Dark Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Gold
Human Environmental Sciences	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

## The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas that should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne 1906 of Hot Springs, won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

## Alma Mater

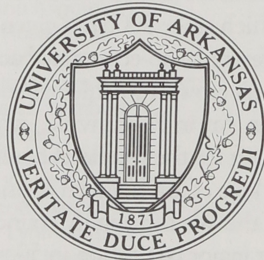

Pure as the dawn on the brow of thy beauty  
Watches thy soul from the mountains of God  
Over the Fates of thy children departed  
Far from the land where their footsteps have trod.  
Beacon of Hope in the ways dreary lighted;  
Pride of our hearts that are loyal and true;  
From those who adore unto one who adores us—  
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward  
Proud of our place in the vanguard of Truth,  
Will sing unto thee a new song of thanksgiving—  
Honor to God and the Springtime of Youth.  
Shout for the victory or tear for the vanquished;  
Sunshine or tempest thy heart is e'er true;  
Pride of the hills and the white-laden Lowlands—  
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,  
Even the Battle in Cities afar;  
Still in the depth will thy Spirit eternal  
Beckon us on like a piloting Star.  
Down the dim years do thy dead children call thee,  
Wafted to sleep while the Springtime was new;  
We, of the Present, thy Hope of the Future—  
Mother of Mothers, we pray unto you.

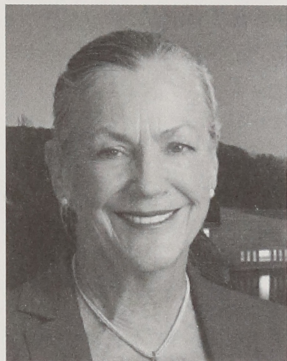

## The University Seal

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on campus.

# HONORARY DEGREE RECIPIENT

## **Alice L. Walton**

Honorary Degree of Arts and Humane Letters, D.A.H.

Alice Walton is the youngest child of Helen and Sam Walton. She grew up in Bentonville, where her father operated the local five-and-ten store before starting his own company, Wal-Mart, in 1962. She attended Trinity University in San Antonio, where she earned a bachelor's degree in economics and finance. She began her business career with the First Commerce Corp. and later served as head of all investment-related activities at the Arvest Bank Group. In 1988, she founded the investment bank Llama Company, serving as president, chairman and chief executive officer.

Walton helped organize and was first chair of the Northwest Arkansas Council. This group played a major role in creating the Northwest Arkansas Regional Airport, helping to spur more than a decade of unprecedented growth. Walton helped finance the project and provided the initial seed capital to fund construction of the airport. The Alice L. Walton Terminal Building was named after her to recognize her contribution and support.

Walton has also played a guiding role in the Walton Family Foundation, one of the nation's foremost philanthropic organizations. The foundation has made significant donations to the University of Arkansas, transforming the Sam M. Walton College of Business, creating the Honors College and endowing the Graduate School, turning each into nationally prominent and competitive institutions. She has continued to take an active interest in the university, serving on the Board of Advisors for the Graduate School of Business.

The Walton Family Foundation also helped fulfill Walton's vision for Camp War Eagle, which since 2006 has given summer camp experiences to thousands of children from different socio-economic backgrounds, most of them attending free of charge.

Walton's crowning achievement so far is creation of Crystal Bridges Museum of American Art in Bentonville., which realizes Walton's dream of creating an enduring cultural gift for the people of her family's home region and state. Walton drew on her lifetime love of art, her own considerable private art collection, her resources and those of the Walton Family Foundation to create what the New York Times called "the first major institution in 50 years dedicated to the vast spectrum of American art." In doing this she has earned the respect of the arts community worldwide while making Northwest Arkansas a travel destination for tens of thousands of people, in and out of the state. At the same time, her gift is transforming the way many people think about Arkansas.
